Agenda Item: Financial Reports (as of January, 2020)

Item Type: Action

Submitted By: Rick Wood, Accountant

Presented By: Rick Wood, Accountant

BACKGROUND:

The January 31, 2020 financial statements are attached for your review and approval.

- These are our first set of financial statements post-audit, and there are no real surprises.
- District revenue (property tax) is as expected, and District related expenses are tracking well compared to budget.
- We still have considerable work to do on the revenue side for the Clinic, specifically on how to capture, record, and move the revenue.
- The Balance Sheet shows a strong cash position.
- The Investment & Reserves Report looks great! CalTRUST and Five Star Bank have done well so far in this fiscal year.

VSHWC Revenue: The revenue projections and expenses for VSHWC are based on feasibility studies done in 2018. Revenue was linked to several anticipated actions including: contracting with managed Medi-Cal plans, straight Medi-Cal, CMS (Medicare), commercial health plans; and most importantly, state and federal recognition of Rural Health Clinic status.

The District has experienced the expected bureaucratic speed bumps in processing the VSHWC RHC application. Until an application is accepted by CDPH all (Medi-Cal), services provided in the Clinic will be unpaid and recorded as part of the community benefit cost. Once accepted, the RHC application triggers the site survey and the ability to be reimbursed by Medi-Cal under a FFS method. Passing the survey becomes the effective date of the RHC status and the ability to be reimbursed under the per visit methodology. The vision of the VSHWC RHC includes Dental and Xray services. These activities are planned to be available before the survey. Survey should be accomplished in the final quarter of the fiscal year.
